Aurora

Vesta's Aurora collection embraces the bold elegance of steel with the warmth of wood. This line features a myriad of imaginative finial designs, which incorporate a combination of rich earth tones and refined brass hues. The mixed media combinations produce a stunning palette of textures suitable for a variety of design environments.

COMPONENT SPOTLIGHT

Featured below is this collection's inside mount. To install attach the wall plate to the wall with the provided screw. Next, slide the collars over the tubing and put tube in place. To finish the installation, slide the collars over the wall plates and tighten the set screw into the notched area to hold in place.
