- ID** = inside diameter
- OD** = outside diameter

SAMPLE SET-UPS:

581224 (used with Hunley hardware)

581242G (used with Imperial Rome hardware)

Crystal Magic

Vesta's Crystal Magic collection exudes the kind of high elegance that inspires awe. These finials represent the opulent eye-catching sparkle of high-leaded French crystal. All finials are precision hand-cut and available in a variety of rich colors and six base finishes. Designed as newel post toppers, they may also be used as drapery finials for 2" (Imperial Rome, pg. 36-37) and 2¼" (Highland Timber, pg. 28-31 & Hunley, pg. 32-35) diameter rods.

COMPONENT SPOTLIGHT

Featured below is this collection's finial adapter. To install, remove the concealed back plate from your Crystal Magic finial base and then thread onto the adapter. The adapter then slips into the tubing from our Imperial Rome collection. Some sort of metal adhering glue should be used to secure the adapter to the tubing.
