SHIPPING & ADDITIONAL NOTES:

Tube lengths exceeding 106" will incur significant additional freight charges. The collection's tube splice can be used to achieve longer spans - the required center bracket will help conceal the resulting seam.

ABBREVIATION KEY:

D = diameter
H = height
L = length
P = projection
W = width
ID = inside diameter
OD = outside diameter

MetalMorphosis

Vesta's MetalMorphosis collection features stylishly sleek, precision-machined hardware designed to enhance modern spaces with lightweight window treatments. Form and function unite in this affordable and in stock product group.

COMPONENT SPOTLIGHT

Featured below is this collection's inside mount. To install attach the wall plate to the wall with the provided screw. Next, slide the collars over the tubing and put tube in place. To finish the installation, slide the collars over the wall plates and tighten the set screw into the notched area to hold in place.
