# Motopia

Vesta's Motopia collection features precision extruded aluminum track and an automated, belt-drawn, open and closing mechanism all controlled with a handy remote control. Ease of operation and an ultra contemporary look are front and center in this modern hardware product group.

### COMPONENT SPOTLIGHT

Featured at right is a photo featuring this collection's 24V motor assembled onto the pulley/motor housing. The housing can be specified as left or right to place the motor, transformer and power cord closer to the nearest power outlet.

part: #912440 - 24V motor  
 part: #912479 - motor housing assembly
